

France, Ski in Val Thorens HOTEL VAL THORENS 4* (5D/4N)

Place de l'Eglise 73440 Val Thorens, France
Valid from 06 January 2018 till 06 April 2018

Built in 1983, Le Val Thorens was a pioneer as one of the very first hotels built in Europe's highest ski. This visionary hotel still stands apart today in its location (Place Caron, in the very heart of the resort) and its daring architecture, a reference to a mountain village. Built around a spectacular atrium, its design was deliberately contrary to popular styles of the period; it is intelligently focused on the interior, to better preserve warmth. Today, Le Val Thorens pursues its avant-garde destiny, cultivating its sporting image. It has one of the resort's largest swimming pools (with panoramic views of the valley) and a mountain spa at the foot of the slopes of the world's largest ski area.
