City Sightseeing Tour

Hop-On Hop-Off Beirut, Lebanon

Description

Beirut is a city with over 5,000 years of history, and its present is as **fascinating** as its past. Take our city tour to **discover** both then and now. A great stop on your hop-on, hop-off tour is the **St Nicolas Stairs** in the relaxed **Gemmayzeh neighbourhood**, which is home to numerous bars where you're sure to find something fantastic to eat. The Stairs themselves are a living **exhibition space** which hosts regular exhibitions and cultural events.

For a spot of shopping, why not hop off at the **Beirut Souks**? Historically, this has always been the **commercial heart of the city** and it definitely is again. Badly damaged in the war, it has been undergoing major regeneration and the incredible **Zaha Hadid-designed North Souks department store** is sure to be one of the city's **architectural jewels**.

Hop back on the bus and keep enjoying Beirut from its open-topped roof. The **Roman Baths**, in the heart of downtown, would make a **great place to hop off** next. Some 2,000 years old, these baths provide an excellent window into life in Roman Berytus, one of the various names this ancient city has gone by.

Hop off at **St George Maronite Cathedral**, an impressive building which stands right by a **beautiful mosque** and a **Greek Orthodox Cathedral**, symbolising the city's long-standing religious plurality. The Greek Orthodox Cathedral also has an excellent little museum in its crypt. Feel like a coffee? There's no better place than the **vibrant, buzzing Nejme Square**, which is just around the corner.

Hop back on and head for **Raouche**, where you can see the incredible Raouche or **Pigeon Rocks**, and relax in one of the **cliff-top cafés**. For a last stop, try the fascinating **AUB Archaeological Museum** for an insight into Beirut's long and varied history. There's **so much to see and do** in Beirut and with City Sightseeing you can do it all.
