Its medieval ramparts encircle the city which pedestrians can enter through one of two gates - either way, they find themselves joining the evening promenade Stradun which you can either join or watch, a drink in hand, from one of the various cafes and restaurants along the way. The city is alive with open air markets, artisans' shops and studios of artists, Baroque churches and Gothic-Renaissance palaces, unexpected courtyards, and covered loggias. Take a walk through the narrow streets of the Old Town and get ready to be amazed with the history still preserved in the locations where the screenshots for Game of Thrones were taken.
